Customising your home...

All new home dreams start with two things. The practical side - a budget. And the emotional side - a wish list. It's our job to bring both together in a way that feels effortless, inspiring, and uniquely you.

That journey begins with your dedicated Jennian Home Consultant. They'll take the time to really understand what matters to you – not just the essentials, but the personal touches that turn a house into your very own architectural statement.

Whether you're starting with style of home you love, an architectural concept, or simply a Pinterest board of likes – we're here for it. We'll explore your ideas, ask the right questions, and offer fresh perspectives you might not have considered.

Because co-designing your dream home should feel just as exciting as living in it.

WISH LIST

- ✓ An entertainer's kitchen where family and friends can gather
- ✓ Somewhere to hide away dishes when entertaining like a butler's pantry
- ✓ An all-weather outdoor space to enjoy the Summer and BBQs with friends
- ✓ A large garage that can also be used as a workshop
- ✓ A guest suite that can double as a home office
- ✓ Within the school zone for our kids

Your customised plan.

With your wish list in hand and mood boards beginning to take shape, it's time to start to bring your vision to life.

Our design team will begin with your architect's concept, a base plan that inspires you, or a style you may have seen elsewhere. Regardless of the inspiration, we'll then tailor a plan to suit your unique needs and aspirations. This is where the real magic begins. Every element is painstakingly considered to reflect the way you want to live.

And it's never just a one-and-done. We'll collaborate closely, revisiting and refining every detail until it feels perfect.

The perfect finishing touches.

With plans on track, it's time to turn your attention to the finishing touches that will make your home both functional and stunning.

This is where our Interior Design Team steps in – helping you shape the style and atmosphere of every room. From appliances and fittings to flooring, colours, and textures, we'll guide you through each decision, ensuring your home not only looks beautiful but feels uniquely yours.

And, by leveraging the national purchasing power of the Jennian Group, you know you're getting exceptional value for money.
