Remarkable location. Stunning home. It's all here in this Ashburton lakefront property. Add four bedrooms, three bathrooms, three living spaces and 370sqm of sophisticated living space and the owners and their visitors have plenty to delight in. The house, handsome in cedar and lightweight concrete, is configured in an H-shape to make the most of the water views. Decking and covered alfresco places extend from the lounge, living room and main-bedroom suite, which also has a walk-in wardrobe and ensuite. If you can haul yourself away from these sunny oases – there's also decking right on the lakefront – you'll find the interior is just as impressive. The flow between the two is seamless, as is Jennian's craftsmanship.
