This home lets nature shine with large windows and a monochromatic palette, highlighting sunlight and greenery. High vaulted ceilings and windows that mirror the roofline create a spacious, light-filled two-bedroom, two-bathroom retreat. Enjoy the Tasman area's sunny days and stay warm in winter with a Yunca woodburner and an outdoor steel fireplace. A fern-lined boardwalk connects the garage to the kitchen-living-dining area, evoking local bush walks. The open-plan layout features two sun-soaked patios, with the main bedroom opening to the main patio, seamlessly blending indoor and outdoor living
