This 164sqm single-level home blends laidback Kiwi living with French-romantic style. The open-plan living area stretches almost the length of the house, with three sets of French doors opening onto a patio. The kitchen, the heart of the home, features traditional touches and modern amenities. Rafted ceilings, internal shutters, and polished concrete floors add character. The three bedrooms and two tiled bathrooms include vibrant wallpaper feature walls. The main bedroom boasts an ensuite and walk-in wardrobe. Outside, raised garden beds enhance the cottage vibe.
