2022 Jennian Homes Marlborough - Regional Silver House of the Year

From the outside, the 204sqm home is clean lines and dark features with timber accents. Inside, a pale wall palette and sliders encourage the Marlborough sunshine inside. A decorative cedar screen separates the entry from the living space. Stepping into the living area, the window seat is just the spot to bask in the sun with a book in hand. The engineered stone benchtops and splashback set the scene in the kitchen with a trio of pendant lights to illuminate the island bench. Rooms are linked by a central hall, which is bathed in light thanks to two skylights. Two bathrooms, including an ensuite, have fully tiled showers. You'll also find a snug/office, separate toilet, laundry and garage.
