If a sun-drenched three-bedroom home with strong, modern lines is what you've been looking for, this home is for you! The 198sqm property has been designed with a layout that ensures the living and bedrooms harness light and warmth, and that indoor-outdoor movement is easy and natural. The designer kitchen with dark, moody tones, is set up for entertaining. When it comes to relaxing after a meal, the lounge – part of the open-plan configuration – can be closed off from the kitchen and dining areas. On the outside, Linea weatherboards in two different shades, both horizontal and vertical, create a sense of subtle playfulness, plus street appeal.
