The three-bedroom home, covering 215sqm, has a combined kitchen, dining and living area designed for entertaining, relaxing and taking in the vistas of the city and beyond. The stunning main bedroom enjoys city views, plus a walk-in wardrobe with access to a beautiful relaxing ensuite. The living area includes a stylish study nook – an important consideration for working from home. A generous double garage and separate laundry complete the attractive package. Back to those external good looks: this home has excellent street appeal thanks to contrasting textures – stack-bonded masonry blocks, vertical coloursteel, vertical cedar cladding and long-run coloursteel roofing.
