If first impressions are anything to go by, this 157sqm show home should have you hooked before you even step inside. The contrasting exterior cladding and strong lines are eye-catching. Innovative design, thoughtful crafting and attention to detail make this an ideal three-bedroom, two-bathroom home. A contemporary kitchen, in the heart of the H-shaped house, features sleek benchtops, a tiled splashback, soft-close drawers, quality appliances and a walk-in pantry. In the living area, an in-built fireplace keeps things toasty. You'll find elegant tiling in the main bathroom and main bedroom ensuite. Every space is light and airy and three rooms open directly onto private sheltered decking.
