House Plan

2020 Jennian Homes Southland - Regional Silver House of the Year

3	2	2	2	2

With its welcoming alfresco area, foodie-friendly kitchen and light-filled scullery, this 211sqm home was built with entertaining in mind.

The kitchen has a central island and skylights, offering a lovely work space where you can prepare meals while socialising with guests in the dining and living areas. The interior is configured for all-day sun, while bifold doors flow out to a large louvre-covered deck for soaking in the sun. A tiled ensuite and a walk-in wardrobe make the main bedroom a retreat, while the additional bedrooms and a bathroom are configured for everyday life. With a layout designed with family top of mind, this modern home set against the backdrop of mountains is an easy mix of the practical and the stylish.
