All-day sun floods the living areas of this Jennian home, creating an enticing environment for fun and relaxation. A smart layout and swathes of glass capture spectacular views out to a nine-hole golf course. The open, airy living/kitchen/dining area and the master bedroom snuggle up to the boundary. Slight elevation offers an outlook over the green. The home merges seamlessly with its surroundings. It's as though the golf course was this home's backyard – but without the hassle of maintenance. The house itself promises easy living and minimal upkeep. The dark exterior encapsulates that classic Kiwi bach character, with the bonus of a 258sqm footprint – four bedrooms, two bathrooms and two living areas.
