Floor-to-ceiling windows add an instant modern feel inside and out. Plenty of dappled sunlight floods in, ensuring the interior stays bright and warm, and enhancing the effect of relaxing in the treetops. Large glass sliders open to ample decking which wraps around the living areas. The kitchen with its island bench is positioned to serve indoor and outdoor dining areas with ease. Tucked around the corner, a separate lounge provides an inviting spot in which to curl up for an afternoon doze or watch TV at night. A wood burner keeps the living space cosy when it's cold out. The master bedroom, with ensuite and built-in wardrobe, frames the scenery superbly through one full wall of windows.
