## Multi-Generational Living option 1

 4	 2	 1	 2	 2
---------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------

This home is a fabulous example of sharing a house with family. The garage and front door are linked for use by both parties and provide ease of access to either dwelling. There are two bedrooms in each, with a spacious kitchen and living area flowing into a joint outdoor living space. Supporting either aging parents or a young family is easy with this plan. Giving independence and ease of access at the same time!

### Auckland - Franklin and South
