---	---	---	---	---

Seeing is believing at this single-level lifestyle property where the emphasis is on easy, relaxed living. Before entering the main front door, take a moment to soak up the exterior surrounds: the impressive outdoor area has all you need for a successful gathering. That's largely thanks to a stately wood-fired barbecue built for cooking up a feast. There's plenty of room for alfresco dining in this rural setting, with ample space for seating on the expansive wooden deck.
