The Ashwood makes smart use of every inch, offering a central open-plan living space bathed in natural light. The kitchen, scullery, and dining hub flow seamlessly to outdoor areas, creating a perfect setting for both everyday living and entertaining.

The master suite is a private retreat, designed for relaxation and comfort, while the secondary bedrooms provide ample space for family members or guests. Flexible lounge spaces are thoughtfully zoned to balance privacy with family connection, ensuring everyone has their own space while still feeling connected.
