Inside, a sense of comfort and cohesion continues with light vinyl plank flooring and sandy-toned carpet, grounding the home in warmth. Walls throughout are painted in Resene Black White—a soft, chalky white that offers a crisp yet gentle backdrop—complemented by the moody, earthy green of Resene Raptor, featured in the master bedroom to evoke a grounded, restful atmosphere. Ceilings painted in Resene Eighth Black White add to the home's airy feel, enhancing the sense of light and space.
