Step inside to discover a warm, modern interior where northwest-facing living spaces are bathed in natural light by day and transform into a cozy haven by night. Picture yourself with an après-ski drink in hand, relaxing by the fire as the sun sets behind Mt Roy - right on your doorstep. The open-plan kitchen, dining, and living area flows seamlessly onto the deck, ideal for soaking in the crisp mountain air. A walk-in pantry, breakfast bar, and boxed window seating add both function and flair, while elevated ceilings enhance the sense of space. The master suite is a private sanctuary with a walk-in wardrobe and tiled ensuite with underfloor heating.
