Perched high above the shimmering Shotover River, this architectural masterpiece is a celebration of light, space, and breathtaking views. Designed to harmonize with its spectacular Queenstown setting, it offers a sanctuary where modern elegance meets the raw beauty of nature.

Step inside and feel the openness, raked ceilings and skylights invite the sky indoors, while expansive glass frames ever-changing mountain and river vistas. Every detail speaks of thoughtful design: a kitchen that inspires creativity, living spaces that flow effortlessly to sun-drenched decks, and rooms that promise rest and rejuvenation.
