10 Sawgrass Lane, Te Kamo — a quiet 500m² cul-de-sac section offering peaceful living and plenty of room for outdoor enjoyment. This is the ideal spot to build the Jennian Homes Andrew Plan, a home designed to maximise comfort and practicality.

Enjoy large, well-zoned living spaces with natural separation between the kitchen and lounge, while the bedrooms are thoughtfully tucked away for privacy. It's a smart, family-focused layout that delivers everyday ease.

This package includes allowances for site works, council costs, concrete driveways and patios, and our inclusive Ready Range specification.
