HOMES

With 5 bedrooms, 3 bathrooms, 2 generous living areas, and a double garage, this 257m² home is designed for families who want to stay connected while maintaining privacy.

Key features include separate entrances for each living space, independent outdoor areas for both households, no internal access between zones for complete autonomy and separate garaging for convenience.

Enjoy the best of both worlds, close enough for support, yet fully self-sufficient. The Everitt Plan offers exceptional value for money and is ideal for extended families, blended households, or those seeking a future-proof home design.
